Site requirements

QUESTIONS ANSWERED YES OR NO WITH CONDITIONAL FOLLOW UP QUESTION:

Was the STACK Calling tree engaged?

Yes

Did the GC stop all work activity during the inspection?

No

Is the OSHA checklist instruction guide document posted and used in conjunction with the checklist during the inspection?

No

Are OSHA summaries and training documentation readily available for the previous 5 years?

Yes

Has the Compliance/Regulatory Officer requested the opening conference?

Yes

Has the Compliance/Regulatory Officer disclosed the scope of the inspection and/or a copy of the complaint?

Yes

Closing Conference

QUESTIONS WITH TEXT TYPE ANSWERS:

Date and Time of the completion of inspection/visit.

07.17.25 @ 2:20 PM

Have you asked for copies of information the Compliance/Regulatory Officer gathered during the inspection/visit?

YES-EE Reed is to copy STACK on all correspondence and photos.

Are the STACK VP, EH&S and Legal Departments participating in the closing conference?

NO-the Inspector did not request a closing conference with STACK at this time.

Is the Compliance/Regulatory Officer presenting any documentation that will require a signature? If yes, the documentation MUST be referred to the STACK Legal department for review and signature.

The Inspector did not ask for any signatures. The Inspector will be calling Artic Fireproofing for additional information and documentation. The Inspector has requested for EE Reed to send the following:

1. EE Reed HAZCOM Written Program
2. EE Reed Respiratory Program
3. EE Reed Emergency Action Plan
4. EE Reed EHS Manual
5. EE Reed NVA04B Logistics Map
6. Project Site Square Footage
7. NVA04B Building Square Footage
8. Two Random SDS
9. Chemical Inventory Log
